This exciting debate programme will bring to life key global issues such the Millennium Development Goals, and encourage young people to become active global citizens and advocates for social justice. The project is funded by DFID and will be delivered in partnership with Oxfam and the Commonwealth Secretariat.

We need volunteers to help run workshops with school students and oversee mock Commonwealth Heads of Government Meetings (much like Model UNs).

Volunteers should be enthusiastic and able to work with a wide range of people. They will be fully briefed and prepared for the role. Travel, food and accommodation costs will be covered. Facilitators should be able to come to a one-day training session in London in December 2011.

Volunteers should be willing to come with us to two or more of the four regional Commonwealth Youth Summits. These will be in February and March 2012 in locations across the UK, most likely including Northern Ireland, Manchester and Birmingham. There is also a chance to assist with the National Commonwealth Youth Summit in London.

**GET HANDS-ON EXPERIENCE THAT WILL BOOST YOUR CV AND MAKE YOU STAND OUT • INTERACT WITH SOME AMAZING YOUNG PEOPLE • MEET VIPS • TRAVEL**
